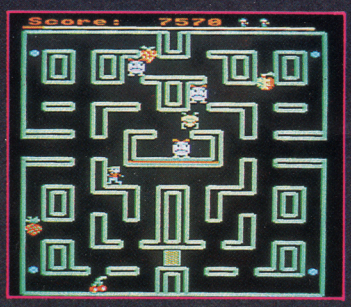
MICROPOWER MICROPOWER MICROPOWER



FELIX AND THE FRUIT MONSTERS **£7.95**

Protect the Magical Fruit from the marauding Monsters. Lay ether pools to confuse the remorseless creatures and trigger the magnetic pad as a last resort.

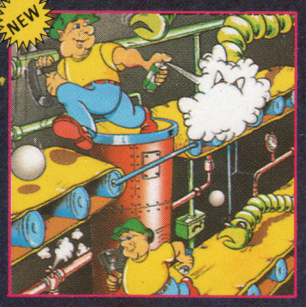
Be

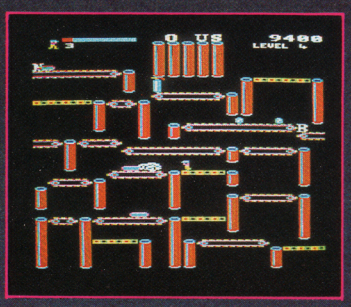
GALACTIC COMMANDER Electron version pictured. **£7.95**

Nine-phase aptitude test for aspiring space vehicle commanders. Land with precision at the Xexon base then graduate to planets with a greater gravitational pull, underground landing sites and eventually an encounter with the Froogs.

Be

NEW



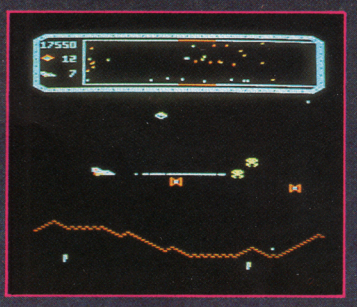


FELIX MEETS THE EVIL WEEVILS BBC version pictured. **£6.95**

Clamber up the pipes, dodging the cascading ball bearings to despatch the Weevils and Superweevils using your spray can. Features oxygen cylinders, bonus letters, belt lever and panic button.

Be DISC

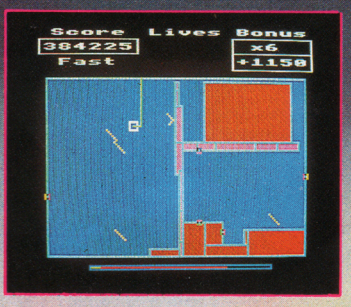
NEW



GAUNTLET **£6.95**

Fly the X15 over the ragged planetoid to defend the cannisters from the invading Reegs. Features six alien types, smart bombs, hyperspace button, long range scan and demonstration mode.

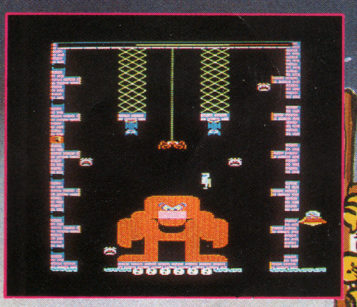
e



FRENZY **Electron £6.95 BBC £7.95**

Deadly sub-atomic articles have escaped from the high security lab. Trap the darting Leptons as they zip round the room. Speed is essential as the heat-seeking Chasers are forever on your trail.

Be DISC



JET POWER JACK BBC version pictured. **Electron £6.95 BBC £7.95**

Jack, wearing his powerful Turbopak, must collect fuel pods from the other side of the garage to refuel the waiting starships. But out to stop him are some nasty Space Googjies. Five screens.

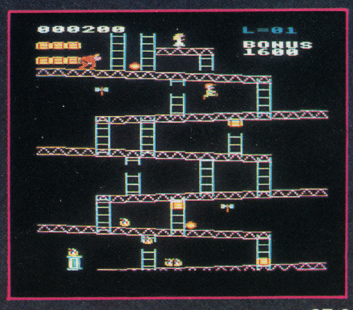
BRIGHT IDEAS

We pay royalties of **20%** of our selling price. Contact Alan in confidence on 0532 458800. All programs sent for evaluation will be returned.

POWERMICROPOWERMICRO



KILLER GORILLA Electron version pictured. **£7.95**

Scale the ironwork tower to answer the maiden's cries for help. Race along girders, career along conveyors, climb ladders and jump onto moving elevators. Leap the barrels and fireballs or smash them with the hammer. Four screens in all.

Be

POSITRON **£6.95**

Only the quickest can survive in this super-fast 'zap-em' game requiring superior reflexes. Missiles pour from the skies as you attempt to repel the ruthless invaders from NGC 891. Features eight types of enemy craft.

Be

MOONRAIDER Electron version pictured. **£7.95**

Penetrate the perilous levels of defences on the Alien Moon. Battle against Fizzers, Ack-Ack guns, space mines and meteors, then fly down the narrow network of passageways to destroy the Central Nucleus.

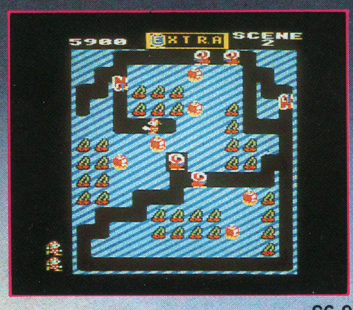
Be

RUBBLE TROUBLE BBC version pictured. **Electron £6.95 BBC £7.95**

Crush the boulders and squash the mutant Krackats as they scavenge for food amongst the rotting ruins. Only the fittest can survive in the desolate post-nuclear wasteland. Features rebounding boulders.

Be

NEW



MR. EE **£6.95**

Dig channels through the earth collecting the cherries. Crush the hungry Umphs and Maras with the apples, or bounce the Crystal Ball down the tunnels to catch one. Ten screens in all.

B

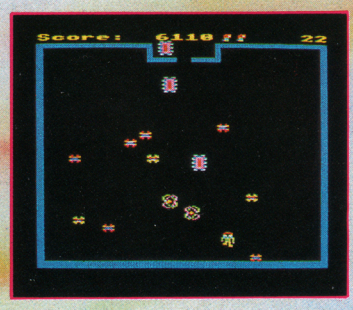
NEW

SWAG **£6.95**

A two-player game of dexterity set in Hazard County. Beat your opponent to the jewels and gold with the help of your band of cronies. Includes police cars and one-player practise option.

Be

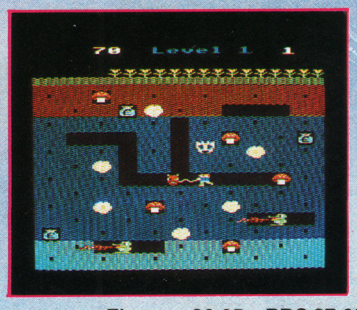
NEW



PLUTONIUM PLUNDER **£6.95**

Clear a path through the vault and shove the Radioactive Plutonium cannisters behind the safety barrier before all hell breaks loose and the Megapods and oscillating Nuclids appear.

B



THE MINE **Electron £6.95 BBC £7.95**

Tunnel through the strata deep beneath the earth's crust in search of buried treasure. Clear the mine of fire breathing dragons and man-eating tomatoes with your neutraliser, avoiding toppling rocks, poisonous toadstools and ruthless phantoms.

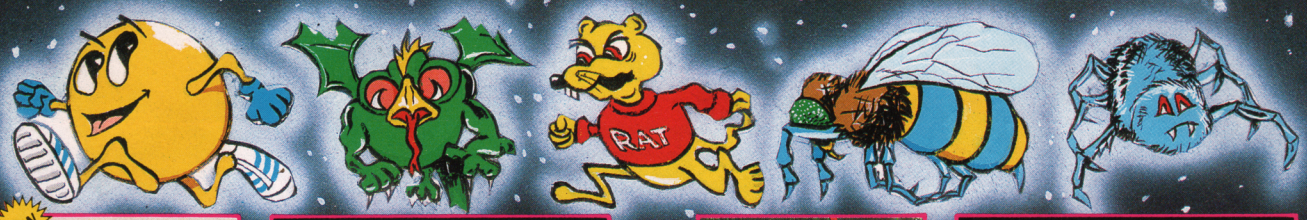
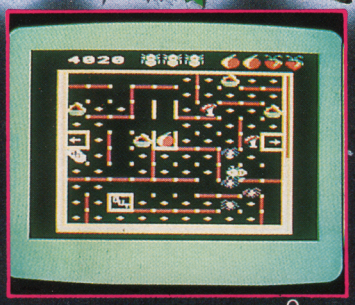
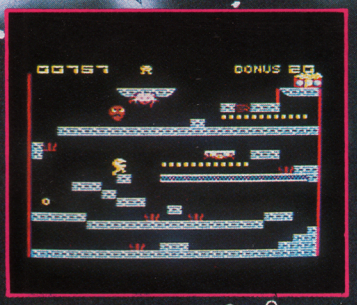
Including Versions For: electron AMSTRAD MEMOTECH BBC





BBC £7.95 Commodore £6.95
Electron £6.95 Commodore Disk £9.95

BUMBLE BEE
Fly the bee around the grid avoiding the toadstools. Spin the turnstiles to evade the spiders, or coax them into the fireballs. Collect all the pollen and fruit and then make a dash for the exit doors.

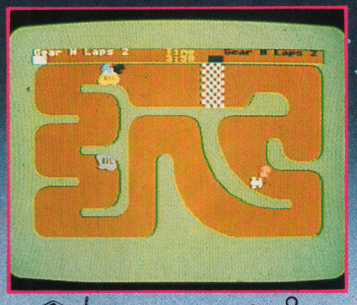


BBC £7.95 Commodore £6.95
Electron £7.95 Amstrad £6.95
BBC and Commodore Disk £9.95

GHOULS
Run through the creepy mansion dodging ghostly ghouls and bouncing spiders. Leap over poison-smeared spikes, scamper along moving platforms and contracting floorboards, and use powerful springs to propel you onto overhanging ledges. Four screens in all.

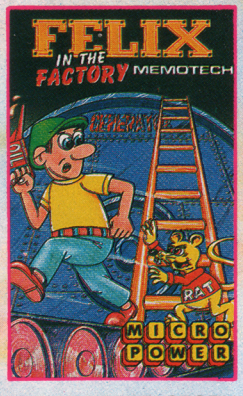
BBC £7.95 Commodore £6.95
Electron £7.95 BBC and Commodore Disk £9.95

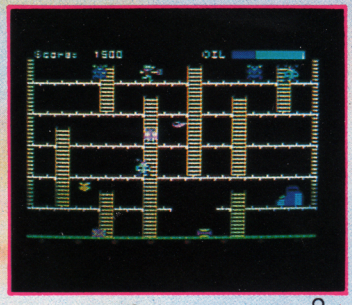
CYBERTRON MISSION
Obliterate the Spinners, Clones and Cyber-droids as you run from room to room in search of the Fort's riches. Avoid the sizzling high voltage walls, and watch out for the relentless Spook. Sixty-four rooms.



BBC £7.95 Commodore £6.95
Electron £6.95 BBC and Commodore Disk £9.95

STOCK CAR
Skid round hairpin bends, cutting up the competition and rebounding off the barriers. A one or two player racing game featuring 6 different circuits, oil patches, selectable number of laps and variable skid.





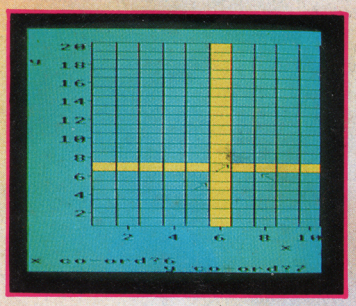
BBC and Electron £7.95 Memotech £6.95
Commodore £6.95 BBC and Commodore Disk £9.95

FELIX IN THE FACTORY
Race along the conveyor leaping the packages, and shin up the ladders. Pitchfork the Gremlins and poison the Giant Rat as you run in search of the oil can to top up the Generator.

BBC £7.95 Commodore £6.95
Electron £7.95 Commodore Disk £9.95

SWOOP
Defend the space lanes against wave after wave of relentless, screaming Birdmen. Dodge the missiles raining down from the phalanx above and keep clear of the explosive eggs left by escaping creatures.

EDUCATIONAL



DRAW **£9.95**
A powerful 'Turtle Graphics' menu-driven language useful for learning or teaching programming. Create high-resolution pictures using commands such as turn, move, repeat, pen-up and pen-down. Includes screen dump routine and twenty-two page manual.

Be

JUNIOR MATHS PACK **£6.95**
This package consists of 3 programs with selectable levels of difficulty. Lunar Lander tests multiplication and division, Fruit Machine tests addition and subtraction, and Treasure Hunt tests the understanding of co-ordinates. (Ages 5-11).

Be

WHICH SALT? **£6.95**
Identify a compound from the results of a series of tests. Superb graphical animation shows what would be observed in a laboratory. Score depends on correctness and the number of tests undertaken. An excellent program for 4th- and 5th-year pupils.

Be

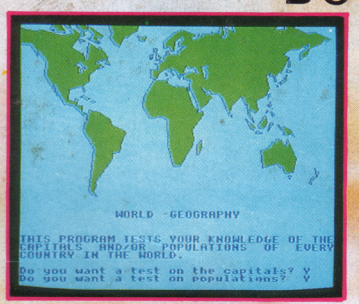
NEW

EUROPEAN KNOWLEDGE **£6.95**
Put your knowledge of Europe to the test by answering the multiple choice questions on population, currency, language, famous people and large towns within the time limit.

Be

WHERE!? **£6.95**
Town, cities, rivers and peaks are pinpointed on the high resolution map of Great Britain. The budding geographer is requested to choose the correct answer from a selection of 4 possibles. Score is based on correctness and time taken. Excellent use of colour, graphics and sound.

Be



WORLD GEOGRAPHY **£6.95**
Learning geographical facts becomes a pleasure in this user-friendly program which pinpoints a country on the map, gives its name and requests the capital and/or the population. Features 8 levels of difficulty to cover all 166 countries included.

B

Adventure

ADVENTURE (16K) **£7.95**
Explore the tortuous forests, dark caverns and castle dungeons to rescue the princess and carry off untold treasures. Beware the Carnivorous Rat, the maze of twisting tunnels and the desert plains. A fairly difficult text-only game requiring skill and imagination.

Be

INTERGALACTIC TRADER **£8.95**
Beat the competition to Orion with valuable ore mined from your string of asteroids. You will need determination and cunning to stay ahead of the field in this strategy game for 1-9 players. Comes with a comprehensive manual.

Be

LABYRINTHS OF LACOSHE **£7.95**
Find the secret entrance and venture into the depths of the Grecian labyrinths. Explore over 100 locations with many mind-twisting puzzles in search of its hidden riches to achieve the title of Grotto Master. Has an extra twist at the end.
Electron £6.95

Be

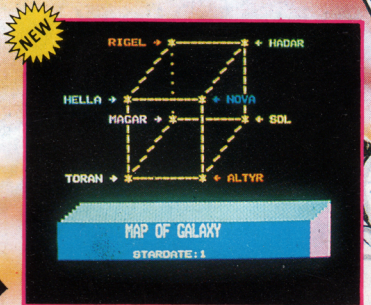
STARFLEET ENCOUNTER **£9.95**
Strategy and quick thinking are required in this involved game for 2-8 players. Build up a starfleet, then seek out your opponent's motherships to triumph over the galaxy. Includes comprehensive instruction book with both rules and tips for play.

B DISC

WIZARD'S CHALLENGE **£7.95**
The evil wizard has transported you to a far flung realm to seek out 12 treasures and deliver them to him. Incorporating over 100 locations and with more than 50 difficulties to overcome, this difficult adventure will keep you engrossed for weeks or even months.

B

NEW



NEW
